Yard House at Legends

Join us for our Twenties n' Thirties book discussion of *The Secret History of the Pink Carnation* by Lauren Willig. Nothing ever goes right for Eloise. The day she wears her new suede boots, it rains. When the subway stops short, she's the one thrown into some stranger's lap. And she's had her share of misfortune in the way of love. So, after deciding that romantic heroes must be a thing of the past, Eloise is ready for a fresh start.

Setting off for England, Eloise is determined to finish her dissertation on two spies, the Scarlet Pimpernel and the Purple Gentian. But what she discovers is something historians have missed: the secret history of the Pink Carnation - the most elusive spy of all time. As she works to unmask this obscure spy, Eloise has more and more questions. Like, how did the Pink Carnation save England from Napoleon? What became of the Scarlet Pimpernel and the Purple Gentian? And will Eloise Kelly escape her bad luck and find a living, breathing hero of her own?

We'll meet at 7:00 pm at Yard House at Legends. Order drinks, have dinner, or just snack on some appetizers. The book is available at the front desk at the library. Since we meet at a restaurant just let us know if you'd like to attend (even if you haven't read the book). Contact Amy at the library if you have any questions.
