

INTRODUCING

Beanstack

**Enjoy the fun of reading as you earn badges
and reach goals to win prizes!**

Pre registration begins May 18th

Beanstack is a website and app that serves as an interactive home for reading challenges. It's your one-stop-shop to not only register for challenges, but to also track your reading activity and unlock badges. When the summer reading program ends, you keep your account and your reading history. It's always free and you can keep logging your leisure reading. When the next library program comes around, you won't need to register again—just click on it and you're in!

What You Can Do with  **Beanstack**

- ◆ Register as an Individual or Family
- ◆ Complete Reading Challenges
- ◆ Track Your Reading to unlock badges
- ◆ Keep an ongoing Reading Log
- ◆ Earn Badges and Prizes

How to Sign Up

Beanstack is easy to use and available both online and as a mobile app. Follow the simple step-by-step prompts to create an account for yourself, your child, or your family. If you've previously created an account, you can skip this step and just sign in to your existing account with your registered username and password. **Note:** An email address is required, if you do not have an email address you will need to create one first then come back to register for Beanstack.

To create your account on line and get started, go to:

<https://basehorlibrary.beanstack.com/>

Or you can download the Beanstack Tracker app to your device. Find the free app in your Apple App or Google Play store under the name "Beanstack Tracker" and select "Get" or "Install."

Once registered, you can access your account online or in the app by signing in with your username and password.

**If at any time you need help with Beanstack, please contact
the library at 913-724-2828.**
