

SPECIAL CONCERT ON THE LAWN: KANSAS CITY SYMPHONY

Monday, October 12 @ 6:30 to 7:15 pm

Musicians from the Kansas City Symphony are coming to the library to perform a free outdoor chamber concert in our parking lot and lawn! We can't wait to share wonderful music with you on a beautiful evening! The musicians will be playing on a stage in the

parking lot, so if you wish to sit please bring your folding chairs or blankets. To protect attendees, Library staff, and the musicians, all are asked to maintain social distancing and wear masks. See you there!

We are combining the Concert on the Lawn with a **Food Drive for Basehor-Linwood Assistance Service**. During this difficult time, food insecurity is a real problem in the Basehor community. If you have something to spare, please bring canned goods or personal hygiene items to the library during the KC Symphony concert on Monday, October 12. Special needs are: canned soup, chili and stew, shampoo, conditioner, and laundry detergent. Thank you!

Documenting the Dead: Presented by Dustin Pari

Wednesday, October 7 @ 7:00-8:00 pm

Please register to receive the Zoom link

Join us on Zoom for a look at the paranormal with Dustin Pari, member of SyFy television's *Ghost Hunters*, *Ghost Hunters International*, and *Destination Truth*.

With over 20 years of experience researching the unknown, he brings exciting and positive lectures about the paranormal all across the country. Dustin's fascination with the paranormal began with an encounter he had with a spirit in his

childhood home. In his efforts to better understand what had happened and why, he has traveled across the United States to 23 countries upon six different continents, learning a little more with each step of his journey.

Complete with historical stories, evidence, and some "would-be" evidence, Dustin does a great job of presenting an honest and respectful retrospective piece on contacting the other side. Filled with anecdotal tales from his travels, and evidence from his investigations, the Documenting the Dead lecture is just the right mix of educational, fun, and creepy.

2020

ELECTION

Meet the Candidates Forums

Basehor Community Library has for the last several years hosted Candidate Forums during election cycles. We would like to continue this tradition, but this year we are constrained by the challenges of the pandemic. Our alternative to a live in-person forum is to hold the forums online, using the Zoom platform. **Meet the Candidates** vying for the honor of representing Basehor in the Kansas Legislature at two special forums, hosted by the library, to be broadcast live on Zoom. **The programs will only be online.** A moderated question and answer session will follow each candidate's opening remarks.

Candidates for Kansas House District #38

Tuesday, October 6 @ 7:00-8:00 pm

The Kansas House of Representatives will have a new Representative from District 38 in 2021. The two candidates are Sherri Grogan (D) and Timothy Johnson (R). **Please register to receive the Zoom link.**

Candidates for Kansas Senate District #3

Tuesday, October 13 @ 7:00-8:00 pm

Senator Tom Holland (D), Baldwin City, is the incumbent for the Kansas Senate seat representing Basehor and the surrounding area. He is being challenged by Representative Willie Dove of Bonner Springs (R). **Please register to receive the Zoom link.**

NOTE: Audience participants can submit questions before the events by email (patronupdate@basehorlibrary.org) or during the event through Zoom's chat feature.

We realize that many voters in our district may not have access to the technology needed to view these forums on Zoom. So, we will record the events and have the recording available on the library's BCLBuzz YouTube channel. We can also save the recording on a flash drive or DVD so all voters can watch it in a format available to them.

Thursday Evening Book Club

Thursday, October 29 @ 6:30-7:30 pm at the library

The Lost Man

by Jane Harper

Brothers Nathan and Bub Bright meet for the first time in months at the remote fence line separating their cattle ranches in the lonely outback. Their third brother, Cameron, lies dead at their feet. In an isolated belt of Australia, their homes a three-hour drive apart, the brothers were one another's nearest neighbors. While they grieve Cameron's loss, suspicion starts to take hold, and Nathan is forced to examine secrets the family would rather leave in the past.

Because if someone forced Cameron to his death, the isolation of the outback leaves few suspects.

A powerful and brutal story of suspense set against the formidable landscape of the Australian Outback. Copies of the book are available at the library. Please join us for a mask-wearing, socially distanced in-person discussion.

The Friends of the Basehor Library regret having to cancel the Fall Booksale, but are hopeful things will be better in time for the Spring Sale. If you have books you want to donate, please visit the Basehor Library website's Friends page, and you will find a Donate Books button. Fill out the questionnaire and they will get back with you to set up a donation appointment. **Donations will only be accepted by appointment.** The Friends are a small group of volunteers (who would love to have you join them!). Thank you for your understanding.

Books n' Beverages Book Club Thursday, October 8 @ 7:00 pm @ the library *Hex* by Thomas Olde Heuvelt

Whoever is born here is doomed to stay 'til death. Whoever settles, never leaves.

Welcome to Black Spring, the seemingly picturesque Hudson Valley town haunted by the Black Rock Witch, a seventeenth century woman whose eyes and mouth are sewn shut. Muzzled, she walks the streets and enters homes at will. She stands next to children's beds for nights on end.

Everybody knows that her eyes may never be opened or the consequences will be too terrible to bear.

The elders of Black Spring have virtually quarantined the town by using high-tech surveillance to prevent their curse from spreading. Frustrated with being kept in lockdown, the town's teenagers decide to break their strict regulations and go viral with the haunting. But, in so doing, they send the town spiraling into dark, medieval practices of the distant past.

The book is available at the library. Contact Amy @ the Library if you have any questions.

Since we're going to be meeting in person, social distancing and masks will be required. Discussion will be held outside so bring a lawn chair.
