Storytimes with Mr. Patrick

June 1- August 12

Join us all summer as we travel all across the globe and learn about animals and habitats.

We begin our journey in June right here on the prairie. Next we'll travel to the African plains and the jungle before diving down deep into the ocean.

Then we'll jump back home and learn about our pets and woodland critters, and farm life. And then we'll slink along to the desert before digging down deep, millions of years ago to the Jurassic.

In August we'll head back to school and Gimlet is planning a special surprise party for Mr. Patrick. Hope you can attend!
