**Sign-up begins Monday, May 22**

Summer reading is FUN and simple!

NO keeping track of books      NO keeping track of minutes

The only requirement to earn a weekly prize is to read **everyday** & the best part...you can read anything you want! Our goal is to get kids into the habit of reading. Children Birth to 6th Grade are eligible.

### So, how do you join?

We use Beanstack online software to keep track of reading. You can sign up for an account:

- On a mobile device using the Beanstack app found on your device's store.
- On a computer, go to our Beanstack Website: [basehorlibrary.beanstack.com](http://basehorlibrary.beanstack.com)
- Register as an Individual or Family. Beanstack allows families to be linked together, so all family members can be accessed with one login. Fill in your info and click on the "Register for a Program Button" for each individual reading program.

If you made an account last year for summer reading then you can use that same one.

### To track your reading and win prizes... \*\*

- Mark the number (quantity) of days you read for the **previous week** and the date, and you will receive a digital badge. Stop by the Children's desk & pick a prize. **NEW prizes added weekly!**
- **Play BLACKOUT Bingo** and earn a **free book!** Pick up a bingo card when you register.
- **GET EVEN MORE PRIZES IN OUR RAFFLE.** Come by the library each week & enter your name in our special weekly drawings!
