Shrinky Dink Rings -May 30, 2-4pm

Kick off summer reading with rings...lots and lots of rings.

Design your ring patterns on plastic before sticking them in the oven to shrink down.

If you don't want to make rings, that's okay! You can just have fun with the skrinky dink paper

Squishies! -June 6, 2-4pm

Make your summer a little more relaxing with some homemade stress balls.

Will yours be filled with beads? What about water & glitter?

Or maybe you want SLIME.

Make one squishy or make all.

Team Challenges -June 13, 2-4pm

You might have to build the tallest tower. Or save a gummy worm. Or even collect the most balls.

Team up and compete against other teens in a variety of games. Teams who win a game will be awarded extra dollars for the auction.

Wreck-it Journals -June 20, 2-4:30pm

It's journaling.....with a TWIST! You won't be using these as a diary.

We're making journals for you to destroy later on.

Build a journal (as elaborate or simple as you want) and then choose the prompts you want for the later destruction of your book.

Flamed Ink Solar Jars -June 27, 2-4pm

Make a solar jar...with fire.

Once you've selected and added your ink to your jar, watch the flames dance across the jar after Amy lights it. Then attach your solar light and ENJOY!

It's recommended that you wear clothes you don't mind getting stained....just in case

Tote Bags -July 11, 2-4pm

Create a unique bag that's all your own.

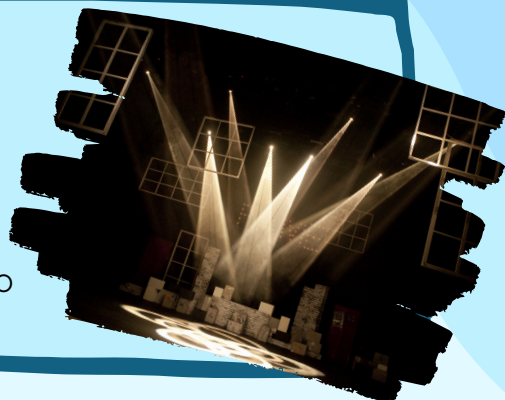

Will it be a simple silhouette of a robot or an elaborate galaxy filled with brilliant colors?

Use the supplies to decorate your tote with any design you'd like!

Monster Invasion Improv Lab -July 12, 3-4pm

Dive into the exciting world of improv theater! We'll guide you through fun and interactive theatre games that will prepare you to devise your own scene — all about a sci-fi monster invasion! Get ready to unleash your creativity! No performing/improv experience required!

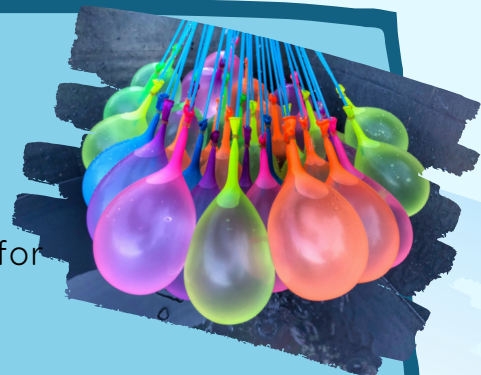

Water Balloon Games -July 18, 2-4pm

The simplest program you'll ever see.
